Attendance Comment

In South Australia, all children and young people must be in school from 6 years to 16 years old. They must attend a government or non-government school full time. From age 16 to 17 however, young people must attend school or an approved learning program (such as an apprenticeship, traineeship, accredited course or university). Schools and parents must encourage and support students to come to school every day. Parents and caregivers must make sure their child is enrolled in a school, and attends school all day and everyday it is open, unless a child is sick or has an approved exemption. Teachers and leaders actively follow up when a student misses school, including recording all absences and non-attendance. All schools in South Australia have local attendance procedures governed under the Education and Children's Services Regulations 2020.

Governing Council Report

The year 2023 was a breath of fresh air for the Goolwa Primary School staff student and wider community. For the first time since 2020 staff, families and student were welcomed back to the site at the end of January without restrictions. The school was buzzing, with eager students, staff and families welcomed back to huddle, assemblies, and parent teacher interviews.

Governing Council held the AGM in March, where we welcomed some new members and said goodbye to some dedicated and long-standing members. Governing Council throughout the year has worked closely with the leadership team to understand the literacy and numeracy objectives and targets for students highlighted in the Site Improvement Plan and External Review.

Governing Council has also worked alongside the Goolwa Primary Parenting Network and school leadership team to ensure events such as Sports Day BBQ/cake stall, Mother's & Father's Day stalls and hot cross bun fundraiser were successful. Term 2 saw the approved donation from the OSHC to assist with the purchase and installation of the Cube climbing equipment in the JP Playground.

Governing Council looks forward to continuing to support the schools' learning expectations and playing a role in Goolwa Primary School success and achievements. The Governing Council would like to reiterate their gratitude to all the staff and leadership at Goolwa Primary School for all the wonderful work they do, particularly their commitment to a safe and inclusive learning environment and dedication to make things happen like camps, incursions/excursions.

We acknowledge the significant contribution that our past Principal Louisa Guest made during her tenure. We welcome Nathan Hunter as Principal in 2024 and look forward to watching the development and achievement of the Goolwa Primary School students.
