Context Statement

Angaston Primary School caters for students from R-6. At the time of this report, the enrolment in 2024 is 249. Angaston Primary School is classified as Category 6 on the Department for Education Index of Educational Disadvantage. At the time of this report, the school population includes 4% Aboriginal students, 2% students with disabilities, 1% children/young people in care. Further information about the school is available on the school's website (including its context statement), as well as the My School website.

Angaston Primary School is located in the Barossa Valley historic township of Angaston some 88km northeast of Adelaide. The school is focused on building a collaborative and consistent teaching and learning culture R-6 inclusive of all learners. The implementation of our Responsible Behaviour Plan and school motto of 'Be Safe, Be Kind, Work Hard' focuses on a whole school approach to valuable social learning, where behaviour choices and a positive attitude lead to improved learning outcomes.

The school boasts a very talented choir and multiple sporting teams. Performing Arts as a specialized subject is featured in our biannual school concert. Three Instrumental Music Service teachers teach a variety of brass, woodwind and percussion instruments weekly.

Through the Public Education strategy areas of impact, we continue to focus on student Wellbeing and Effective Learners by supporting our students to develop the awareness of, and strategies for developing resilience and persistence for learning.

Governing Council Report

The past year has been a period of significant progress and proactive engagement for our Governing Council (GC).

We have undertaken a comprehensive review of several key policies, including those related to phone usage and anaphylaxis management. These reviews are aimed at ensuring the safety and well-being of our students while maintaining a conducive learning environment.

We are pleased to report an increase in the number of new members joining the Governing Council last year. This influx of fresh perspectives and ideas has been instrumental in driving our initiatives forward. The GC has been exceptionally proactive in terms of fundraising activities, organising various events and campaigns to support our school community.

The funds raised through these efforts have been strategically utilised to reduce the costs associated with camps, excursions, and other educational activities. This has made these opportunities more accessible to all students, ensuring that financial constraints do not hinder their participation.

Moreover, we have witnessed a heartening increase in family involvement within the school. More families are now actively volunteering, contributing their time and skills to support various school programs and events. This renewed sense of community and collaboration has greatly enriched the school environment.

In conclusion, I would like to thank all members of the Governing Council and the Fundraising Committee for their continued support, time and efforts throughout the school year. The Governing Council remains committed to fostering a supportive and inclusive school community. We look forward to continuing our efforts in the coming year, building on the successes of the past year and addressing any challenges that may arise.

And finally, I would like to thank Lynda, Sokhan and the rest of the staff and all the SSO's for the leadership, hard work, support and encouragement of the students here at the school to Be Safe, Be Kind, Work Hard, and achieve their best!

Attendance Comment

In South Australia, all children and young people must be in school from 6 years to 16 years old. They must attend a government or non-government school full time. From age 16 to 17 however, young people must attend school or an approved learning program (such as an apprenticeship, traineeship, accredited course or university). Schools and parents must encourage and support students to come to school every day. Parents and caregivers must make sure their child is enrolled in a school, and attends school all day and everyday it is open, unless a child is sick or has an approved exemption. Teachers and leaders actively follow up when a student misses school, including recording all absences and non-attendance. All schools in South Australia have local attendance procedures governed under the Education and Children's Services Regulations 2020.
