## Attendance Comment

In South Australia, all children and young people must be in school from 6 years to 16 years old. They must attend a government or non-government school full time. From age 16 to 17 however, young people must attend school or an approved learning program (such as an apprenticeship, traineeship, accredited course or university). Schools and parents must encourage and support students to come to school every day. Parents and caregivers must make sure their child is enrolled in a school, and attends school all day and everyday it is open, unless a child is sick or has an approved exemption. Teachers and leaders actively follow up when a student misses school, including recording all absences and non-attendance. All schools in South Australia have local attendance procedures governed under the Education and Children's Services Regulations 2020.

## Governing Council Chairman's Report

In 2023, the Angle Vale Primary school Governing Council had a few changes to its members and we would like to thank them for their valuable contributions in previous years. With the reformed team, we began planning the major events such as fund raising activities with the Family Twilight Picnic, in collaboration with the school, being the highlight of the year. The Council had also assisted the school in decision making exercises like the retaining the services of Camp Australia as the OSHC service provider and the annual school photo service provider as well.

Meanwhile, the school has also added a new nature playground and swing sets which will benefit the students immensely. This year, the Council will continue to work with the school on its grounds and maintenance plans in improving the school's infrastructure.

On a final note, I would like to thank everyone in this small group of amazing parents who have contributed their valuable time to help in whatever way they can to make the school a better place for our children.

Kind regards,  
Fariz Matnoor
