Governing Council Report

As the Chairperson of the Myponga Primary School Governing Council, I'm pleased to share this report on the school's achievements and activities in 2024.

Over the past year, we've seen an impressive level of involvement and support from our parent community. Mums, dads, and caregivers have been eager to volunteer, help with fundraising, and provide input to the Governing Council. Their commitment to bettering our school has been truly remarkable.

One area that has been appreciated by parents is the school's focus on improving literacy skills. The new spelling program, the writing assessment process, and the consistent teaching approach have all made a difference to students.

Families have also appreciated the school's commitment to student wellbeing and social-emotional learning. The emphasis on growth mindset and building resilience has equipped our students with important life skills that go beyond just academics.

As we look ahead to 2025, the Governing Council is excited to build on the solid foundation we've laid this year. We're confident that the collaborative spirit and shared vision that have defined our school community will continue to drive Myponga Primary towards even greater success.

Performance Summary

NAPLAN Proficiency

In 2023 the Australian Curriculum, Assessment and Reporting Authority (ACARA) - a Commonwealth Independent statutory authority - announced changes to NAPLAN performance reporting. The new approach replaces the previous numerical NAPLAN bands and the national minimum standard.

Numeracy

Attendance Comment

In South Australia, all children and young people must be in school from 6 years to 16 years old. They must attend a government or non-government school full time. From age 16 to 17 however, young people must attend school or an approved learning program (such as an apprenticeship, traineeship, accredited course or university). Schools and parents must encourage and support students to come to school every day. Parents and caregivers must make sure their child is enrolled in a school, and attends school all day and everyday it is open, unless a child is sick or has an approved exemption. Teachers and leaders actively follow up when a student misses school, including recording all absences and non-attendance. All schools in South Australia have local attendance procedures governed under the Education and Children's Services Regulations 2020.
