## **Context Statement**

Marryatville High School caters for students from 7-12. At the time of this report, the enrolment in 2024 is 1706. Marryatville High School is classified as Category 6 on the Department for Education Index of Educational Disadvantage. At the time of this report, the school population includes 1% Aboriginal students, 3% students with disabilities, 2% students with English as an additional language or dialect (EALD) funded background. Further information about the school is available on the school's website (including its context statement), as well as the My School website.

## **Governing Council Report**

The Governing Council's AGM was held in late November 2023, where 10 parents were elected for the 2024 school year. Previous parent representative, Trish Hennessey, took on the role as our second Community Member for 2024 and 2025. The School Captains and four staff rounded out the 18-person Governing Council, meeting on 5 occasions during the year.

School Captains, Leona D Costa and Melina Gaffey, provided updates at our meetings on the student cohort, with a focus on the SRC and their Improving Learning, Environmental, Leadership and Culture, and Wellbeing Councils, along with updates on the various events and activities held throughout the school year.

In late 2023, I had the honour of being on the 4-person panel to select the next Principal of Marryatville High School, following the resignation of John Tiver. After a comprehensive recruitment and interview process, the panel was unanimous in selecting Julie Ferguson to lead our school for the next 5 years. It is easy to see that Julie lives and breathes Marryatville's KARRA values and was an excellent choice to lead our highly successful school and well-established positive culture.

During the year, the Governing Council received an update on the proposed Marryatville Precinct Masterplan and invited members of the Old Scholars Group to a series of meetings to present the proposed activities that aim to build connections with Marryatville's alumni.

To meet its obligations from a governance perspective, the Governing Council:

- adopted the school's 2024 budget and the financial statements and annual report for 2023
- supported the transition to a new school canteen operator
- endorsed policies relating to debt collection, uniforms and alcohol, tobacco and drugs
- established systems to enable Governing Council members to attend meetings online
- endorsed the polling of parents and caregivers regarding the Materials and Services charge proposed for 2025.

The Governing Council was well supported by the following staff; Julie Ferguson, Kirsty Iversen, Leanne Isaacs, Adam Carter and Natalie Ordynski. Their knowledge provided a staff perspective, that was valuable in supporting the group's strategic and operational objectives.

I would also like to thank Matt Klaebe for his support as Deputy Chairperson, Daniel Thorpe for filling the Secretary role and Tony Smit for continuing in the role of Treasurer.

## **Attendance Comment**

In South Australia, all children and young people must be in school from 6 years to 16 years old. They must attend a government or nongovernment school full time. From age 16 to 17 however, young people must attend school or an approved learning program (such as an apprenticeship, traineeship, accredited course or university). Schools and parents must encourage and support students to come to school every day. Parents and caregivers must make sure their child is enrolled in a school, and attends school all day and everyday it is open, unless a child is sick or has an approved exemption. Teachers and leaders actively follow up when a student misses school, including recording all absences and non-attendance. All schools in South Australia have local attendance procedures governed under the Education and Children's Services Regulations 2020.
