Governing Council Report

The Governing Council has led another successful year of advocacy, fundraising, and community engagement in support of college leadership throughout 2024.

This year saw the highest fundraising achievement in the schools history. Every sausage sizzle, gift bag, and raffle ticket purchased contributed to purchase of refrigerated water bubblers, a project completed in partnership with the SRC.

The GC continues to evolve to meet the changing needs of families. The Parents & Friends group expanded engagement opportunities, including the Parent Mixer held alongside the Disco, an active P&F Facebook page, and parent information evenings with guest speakers. A key highlight was co-hosting a strategic planning session with school leadership, inviting families to contribute to shaping the colleges future. Your ideas and participation are invaluable, and I encourage everyone to volunteer their unique skills - big or small to support our community.

Beyond fundraising, the GC plays a vital role in school governance, including canteen and OSHC tenders, shaping school policies, advocating for bilingual programs and sports, supporting building and grounds improvements such as the Kiss & Drop zone, and providing financial oversight.

A heartfelt thank you to the dedicated GC team of 2024. It has been an honour to chair this incredible group of parents. As I step down, I look forward to continuing my support from behind the scenes.

Attendance Comment

In South Australia, all children and young people must be in school from 6 years to 16 years old. They must attend a government or non-government school full time. From age 16 to 17 however, young people must attend school or an approved learning program (such as an apprenticeship, traineeship, accredited course or university). Schools and parents must encourage and support students to come to school every day. Parents and caregivers must make sure their child is enrolled in a school, and attends school all day and everyday it is open, unless a child is sick or has an approved exemption. Teachers and leaders actively follow up when a student misses school, including recording all absences and non-attendance. All schools in South Australia have local attendance procedures governed under the Education and Children's Services Regulations 2020.
