Governing Council Report

Our students, staff and community learning together remain the heart of Ridgehaven. Governing Council made excellent progress this year auditing and updating policies to ensure they align with both legislative guidelines and align with our site context. We prioritise inclusive, accessible education that is welcoming, and helps young learners' become the best version of themselves.

Key policies reviewed and updated included the OSHC Delivery and Collection Policy, Educator Disciplinary Management Policy, Family Conduct Policy, Media Consent Policy, Attendance Policy, and Allergy Policy. We are committed to maintaining best practices and ensuring clear guidelines for all stakeholders. We worked closely with Leadership, thanks to Principal Laura Tambe for her support in 2024.

A major success this year was the appointment of an **Assistant Director** for OSHC, a long-standing goal to support the service's operations and sustainability. Lachlan was promoted into this role, and provided vital administrative and leadership support. While we were sad to see him depart later in the year for work that better aligned with the arrival of his first child, we thank him for his hard work and contributions to Ridgehaven's OSHC.

Our fundraising efforts and community events were a highlight, bringing families together and raising funds to support school initiatives. Events such as **Rainbow Day**, **Sports Day BBQ**, **R U OK Day**, **stalls celebrating parents**, **the End-of-Year Concert and VIP Raffle**, as well as regular **Coffee Van visits** and **Community Catch-Ups** on **Wellbeing Wednesdays** continued to build community connection and engagement. The success of these events is a testament to the student leaders, staff, and parents who generously gave their time and effort.

The newly completed canteen has been an outstanding addition to the school, and we thank the many GC members, staff, and community volunteers who contributed their time and resources over the years to create this space. It has been put to great use, hosting successful cooking classes for students and OSHC, as well as **Wellbeing Wednesday** and **Friday Breakfast Club**. We also take this opportunity to thank departing GC member **Nathalie White** for her dedication and service over the years.

Looking ahead, we remain committed to strengthening community engagement, further improving school facilities, and supporting Ridgehaven's continued success. Priorities will be appointment of a new Assistant Director for OSHC and further policy reviews and updates. The school website upgrade has been a standout improvement this year, offering a cleaner, more user-friendly design and greater ease of updates for staff. Thank you to all who have contributed their time and energy to Governing Council in 2024—we look forward to another productive year ahead. Mel Leaver (Chairperson)

Attendance Comment

In South Australia, preschool attendance is not compulsory, but it is strongly encouraged. Preschool gives children the best opportunity to develop skills, which prepare them for school. These benefits include establishing positive routines and habits, friendships and connections as well as developing communication, problem-solving and creative skills. All children are entitled to access a preschool program over 4 terms the year before they start school.

In South Australia, all children and young people must be in school from 6 years to 16 years old. They must attend a government or non-government school full time. From age 16 to 17 however, young people must attend school or an approved learning program (such as an apprenticeship, traineeship, accredited course or university). Schools and parents must encourage and support students to come to school every day. Parents and caregivers must make sure their child is enrolled in a school, and attends school all day and everyday it is open, unless a child is sick or has an approved exemption. Teachers and leaders actively follow up when a student misses school, including recording all absences and non-attendance. All schools in South Australia have local attendance procedures governed under the Education and Children's Services Regulations 2020.
