Attendance Comment

In South Australia, preschool attendance is not compulsory, but it is strongly encouraged. Preschool gives children the best opportunity to develop skills, which prepare them for school. These benefits include establishing positive routines and habits, friendships and connections as well as developing communication, problem-solving and creative skills. All children are entitled to access a preschool program over 4 terms the year before they start school.

Governing Council Report

February 9, 2024

The 2023 Governing Council has consisted of a committed group of parents dedicated on achieving the best outcomes for both our children and the kindy itself. Members' willingness to attend meetings, contribute ideas and implement them has led to successful outcomes throughout the year.

Several different fundraising activities were accomplished this year and successfully raised a total of \$3529. This year we were once again able to take part in the Billy G Cookie Dough which was delicious. Other fundraisers included the Aggies family photos, Art show and a Christmas Raffle. Overall, we are extremely happy with the outcome of all fundraising efforts.

Some of the highlights for 2023 included the Mother's Day activities and the Fathers' Day activities as well. Children really enjoy having parents and significant loved ones getting involved in their learning space and I'd encourage families to attend these where possible. The children also enjoyed visits from the Fire department and the art gallery as well.

The group has worked well to ensure everyone's input was valued to achieve great outcomes for the year. Another example of this was members volunteering to run the playgroup when there was difficulties finding a facilitator. Playgroup is an essential part of the community, so I'd like to thank those members for doing this.

I'd also like to thank each member of the group for their dedication over the year particularly when circumstances made it hard to attend, your commitment hasn't gone unnoticed. Thank you also to Jasmin, who continues to work so hard for the best outcomes for our children and the kindy.

2023 was my first year on the Governing Council and to new members I really encourage you to join and be a part of the kindy community. The kindy does rely on parental involvement and many hands make light work. Thank you to the staff at Settler's Farm Kindergarten for your efforts and ensuring our involvement is so seamless. I enjoyed my time on the Council working with you all. I wish you all the very best for 2024 and beyond.
