Note: Term 2 2020 data may not be available for all preschools.

## Attendance Comment

In South Australia, preschool attendance is not compulsory, but it is strongly encouraged. Preschool gives children the best opportunity to develop skills, which prepare them for school. These benefits include establishing positive routines and habits, friendships and connections as well as developing communication, problem-solving and creative skills. All children are entitled to access a preschool program over 4 terms the year before they start school.
