## Governing Council Report- 2023

The Governing Council of Kirinari kindergarten worked tirelessly across 2023 to develop a sense of team who were pro-active in fundraising including the generation of new and fresh ideas, organisation of events and the coordination of events.

The most successful fundraiser was the Art Show held later in Term 4 and generated a pleasing income and was highly attended by most families of the kindergarten.

The feedback received from families was incredibly positive and the children were so proud of all that they had achieved as artists.

The continuation of the role of fundraising coordinator once again proved beneficial.

A total of \$1884.30 was raised in 2023, a very pleasing result.

A huge thanks to everyone who has contributed to the Kindy across 2023 in whatever capacity you were able..... it was appreciated by children, families, and staff.

## Attendance Comment

In South Australia, preschool attendance is not compulsory, but it is strongly encouraged. Preschool gives children the best opportunity to develop skills, which prepare them for school. These benefits include establishing positive routines and habits, friendships and connections as well as developing communication, problem-solving and creative skills. All children are entitled to access a preschool program over 4 terms the year before they start school.
