Governing Council Report

During 2024 members of Governing Council supported the Director to update the outdoor environment. We provided suggestions and design ideas. The outdoor space was renovated during the summer break. We supported the Director and staff with reviews of several policies including Healthy Eating Policy, Allergy awareness Policy, Safe Sleep & Rest Procedure, Safe Arrival of Children Procedure, Behaviour Interactions and Guidance Code and Sun Smart Policy. Members of Governing Council also engaged in conversations around the Site Quality Improvement Plan and site finances throughout the year, we successfully supported the Director regarding an increase in fees as we felt these did not reflect the current market.

Attendance Comment

In South Australia, preschool attendance is not compulsory, but it is strongly encouraged. Preschool gives children the best opportunity to develop skills, which prepare them for school. These benefits include establishing positive routines and habits, friendships and connections as well as developing communication, problem-solving and creative skills. All children are entitled to access a preschool program over 4 terms the year before they start school.
