

# 2024 Resource Entitlement Statement

## Statement for Schools

The 2024 *Resource Entitlement Statement* for schools has been arranged in six main groups based on the type of funding:

- Base funding
- Targeted Funding for Individual Students
- Targeted Funding for Groups of Students
- Program Funding for All Students
- Other Discretionary Funding
- School Based Preschool Allocations

All funding allocations have been grouped within each of these broad headings on the basis of the intended outcome of the funding.

Please refer to the 2024 School RES Notes for more information. Not all schools funding appears on the Resource Entitlement Statements. Funding for some corporately managed, Regional Office or Commonwealth programs is provided outside of the Resource Entitlement Statement process.
