

2018 Resource Entitlement Statement

Statement for Schools

The 2018 *Resource Entitlement Statement* for schools has been arranged in six main groups based on the type of funding:

- Base funding
- Targeted Funding for Individual Students
- Targeted Funding for Groups of Students
- Program Funding for All Students
- Other Discretionary Funding
- School Based Preschool Allocations

All funding allocations have been grouped within each of these broad headings on the basis of the intended outcome of the funding.

Please refer to the 2018 School RES Notes for more information.

The 2018 Resource Entitlement Statement that follows is provided as an unreconciled interim version as at December 2018 and as such is subject to change. Any further adjustments will be reflected in the final 2018 statements.

Not all schools funding appears on the Resource Entitlement Statements. Funding for some corporately managed, Regional Office or Commonwealth programs is provided outside of the Resource Entitlement Statement process.
